June 6, 2002

Honorable Peter Steinbrueck  
President  
Seattle City Council  
Municipal Building, 11<sup>th</sup> Floor

Dear Council President Steinbrueck:

I am transmitting the attached ordinance for Council consideration.

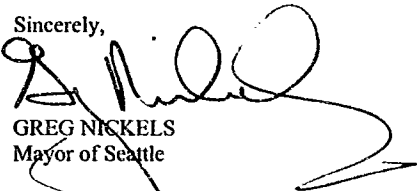

The ordinance vacates a portion of West Hayes Street and authorizes the exchange of park property to resolve a property line issue and the acquisition of equivalent property in the Magnolia Greenbelt for open space purposes.

The Department of Parks and Recreation and Anna Bowlds are co-petitioners requesting the vacation and exchange. This land exchange was considered by the Board of Park Commissioners at its regular meeting on March 28, 2002 and recommended for approval by the Board.

Specifically, the City would give up its interest in two separate properties, one dedicated as street (West Hayes Street) and an adjoining property classified as a boulevard and park property (Magnolia Way West). An 842 square foot portion of West Hayes Street (shown crosshatched in red on the attached map), is proposed for vacation (as governed by the City's adopted Street Vacation Policies), heard, and was separately approved by the Transportation Committee on June 4, 2002. The exchange of 607 square feet of Magnolia Way West (park property shown crosshatched in light blue) is subject to Ordinance 118477 (aka Initiative 42), and requires action by the Parks, Education and Libraries Committee. Both of these properties are proposed to be vacated or conveyed in exchange for a 2,500 square foot property (shown outlined in red on the attached map), which is part of the Magnolia Greenbelt and will be preserved as open space.

Thank you for your consideration of this legislation. Should you have questions please contact Donald Harris at 684-8018 or Donna Kruger at 684-7032.

Sincerely,

  
GREG NICKELS  
Mayor of Seattle
